To Whom It May Concern:

I am writing this letter to offer my adamant support for your consideration of Meaghan Anderson. Meaghan was our English as a Second Language teacher at Hermosa Middle School from 2005 to 2007 and provided instruction for grades 6-8. She was also the Bilingual department chair and helped develop Farmington Municipal School's ESL curriculum.

As Hermosa's principal, I had the opportunity to observe and work with Meaghan on a regular basis. Meaghan was one of our strongest and most motivated teachers. What distinguished Meaghan was her classroom management and her out-of-the-box creativity. Meaghan has an uncanny ability to manage and motivate students. At Hermosa, Meaghan was able to reach students from all levels – monolinguals to those well on their way at mastering the cognitive academic language. She worked extremely well with students that were linguistically and culturally different. Her creativity fostered an environment of learning and legitimately got the students excited about learning. In fact, Meaghan's creativity, understanding of and access to technology allowed Hermosa's ESL students to be some of the very first students in the country to regularly author their own website Blog. Meaghan's truly unique skills have been recognized by other teachers, myself and the community at large.

Meaghan was a great team member and a wonderful asset to Hermosa. She will be a great addition to your team.

Please feel free to contact me with any question or to further discuss Meaghan Anderson's candidacy for employment with your school.

Kind Regards,
